

# FOREVERSEAL FOAM PAD HOOD (FPH) DOCK SEAL REPLACEABLE WEAR PLEATS INSTALLATION INSTRUCTIONS

(Right or left — read from outside facing building)

PARTS LIST

<u>ITEM NO.</u>	<u>DESCRIPTION</u>	<u>QTY</u>
A	LEFT REPLACEABLE WEAR PLEAT ASSEMBLY	1
B	RIGHT REPLACEABLE WEAR PLEAT ASSEMBLY	1
C	LEFT-SIDE HOOD REPLACEABLE WEAR PLEAT ASSEMBLY	1
D	RIGHT-SIDE HOOD REPLACEABLE WEAR PLEAT ASSEMBLY	1

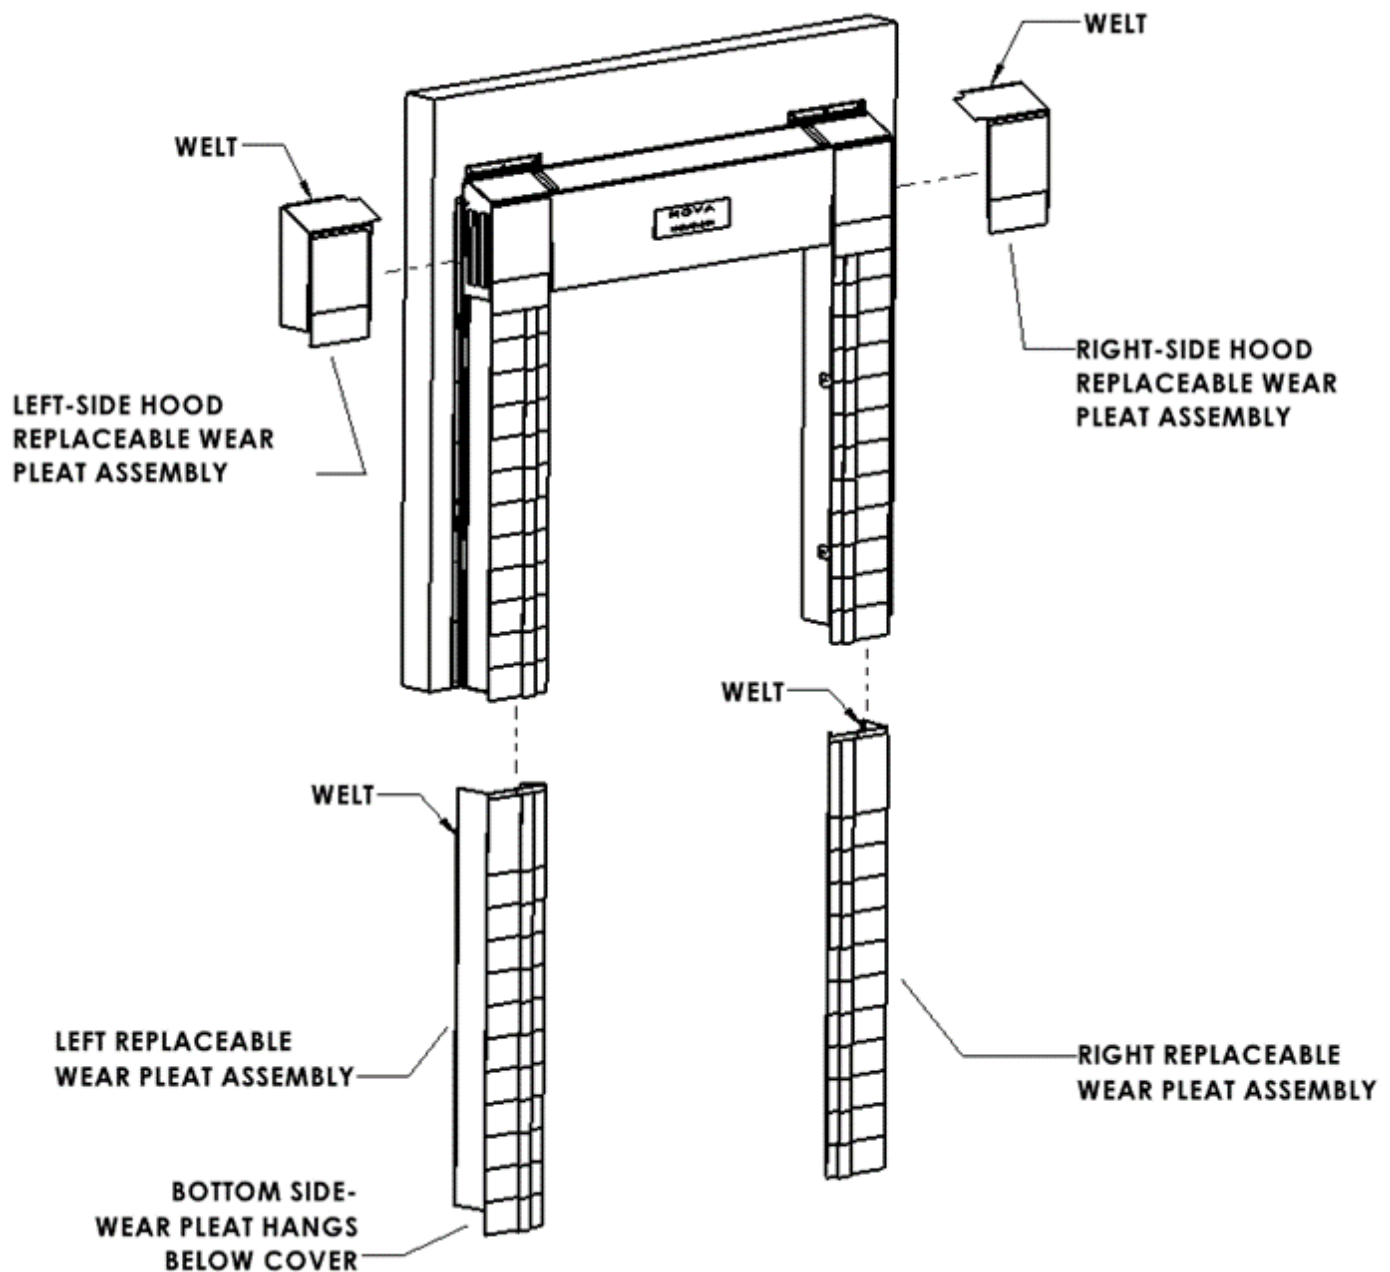

FIGURE 1

**1. INSTALL RIGHT REPLACEABLE WEAR PLEAT ASSEMBLY (B) ON THE RIGHT-SIDE PAD:**

- Open the Velcro® flap on the inside of the Right-Side Pad Assembly.
- To expose the Velcro®, pull the Velcro® flap back and use masking tape to secure the flap open.
- Take the Right Replaceable Wear Pleat Assembly (B) and slide the welt side up into the bottom of the Long Bracket opening (Figure 1, Figure 2, Figure 3 & Figure 4). Slide it upward until the bottom Wear Pleat on the Right Replaceable Wear Pleat Assembly is aligned directly in front of the bottom Wear Pleat on the Right-Side Pad.

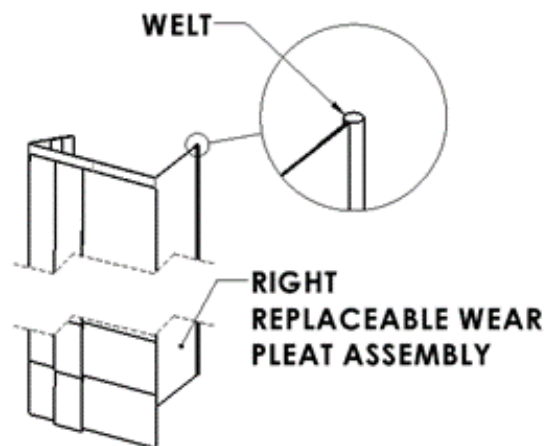

FIGURE 3

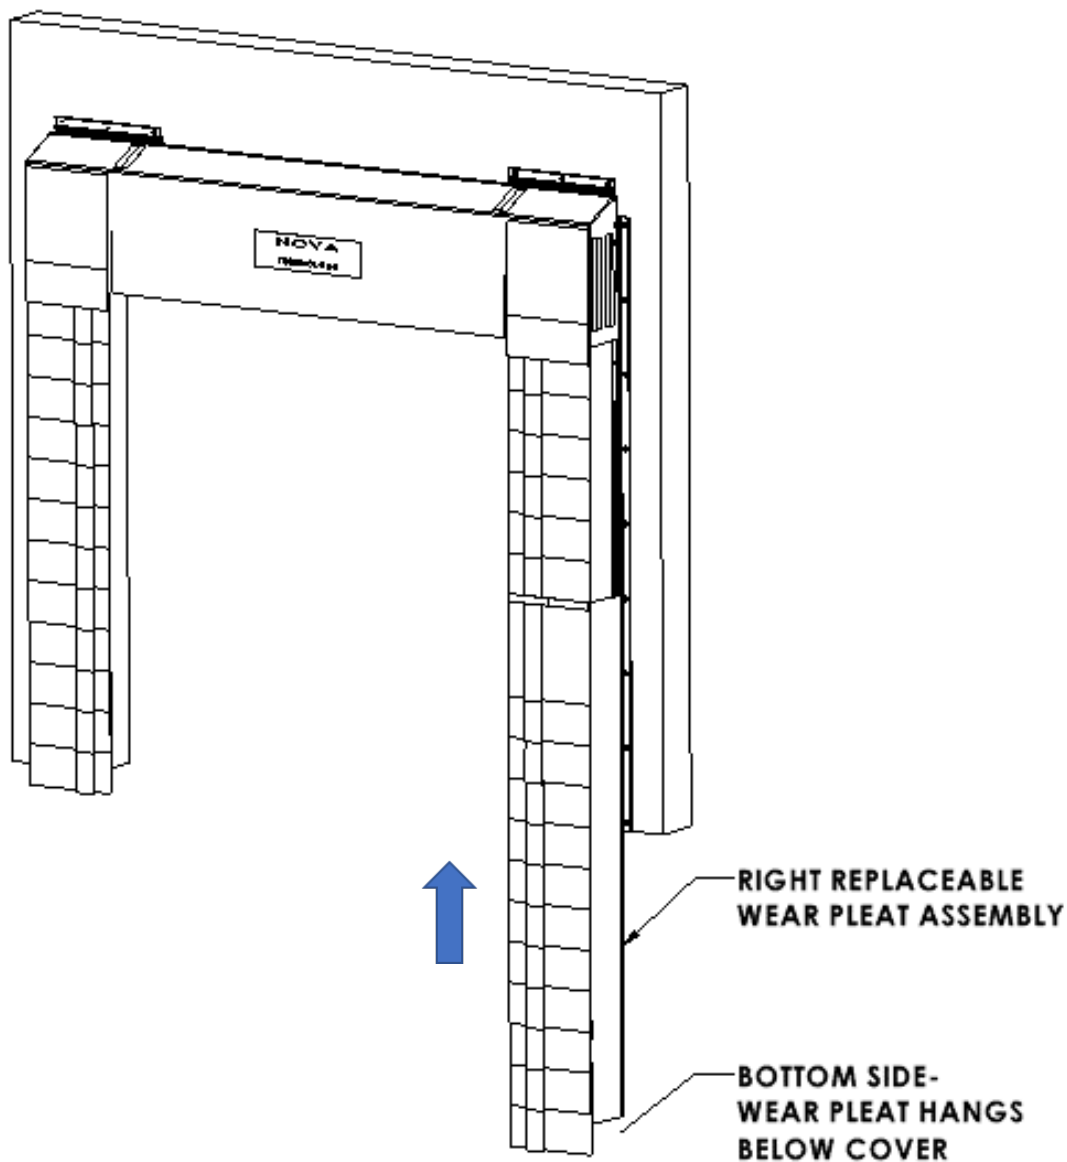

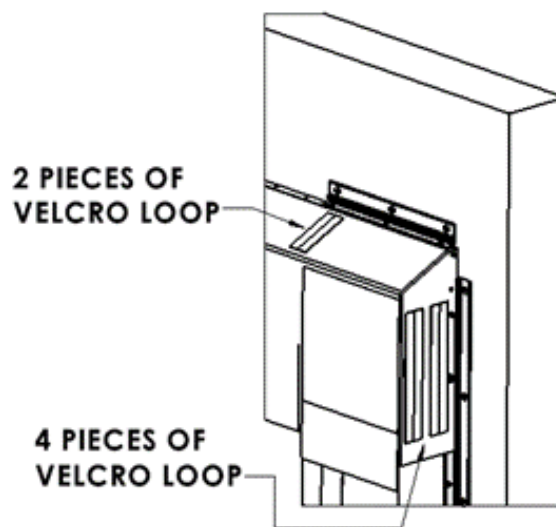

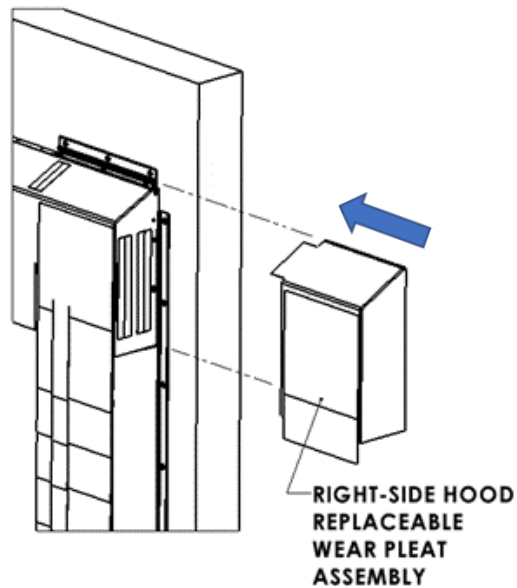

FIGURE 4

- d. Ensure to tuck the top end of the Right Replaceable Wear Pleat Assembly (B) under the bottom end of Hood.
  - e. Once the Right Replaceable Wear Pleat Assembly (B) is in vertical position, pull the Velcro® side outward (away from the building) and then wrap it tightly around the side pad. Then, secure the Velcro® on Right Replaceable Wear Pleat Assembly to the Velcro® on the inside face of the side pad.
  - f. Once the Right Replaceable Wear Pleat Assembly (B) is firmly secured, remove the tape from the Velcro® flap on the Right-Side Pad and fold the Velcro® flap back onto the top of the Right Replaceable Wear Pleat Assembly.
- 2. INSTALL LEFT REPLACEABLE WEAR PLEAT ASSEMBLY (A) ON THE LEFT-SIDE PAD:** Repeat Step 1 process for installing the Left Replaceable Wear Pleat Assembly (A).
  - 3. INSTALL THE RIGHT-SIDE HOOD REPLACEABLE WEAR PLEAT ASSEMBLY (D) ON THE RIGHT END OF THE HOOD:**
    - a. Remove the 2 pieces of Velcro® Loop on the top of the Hood.

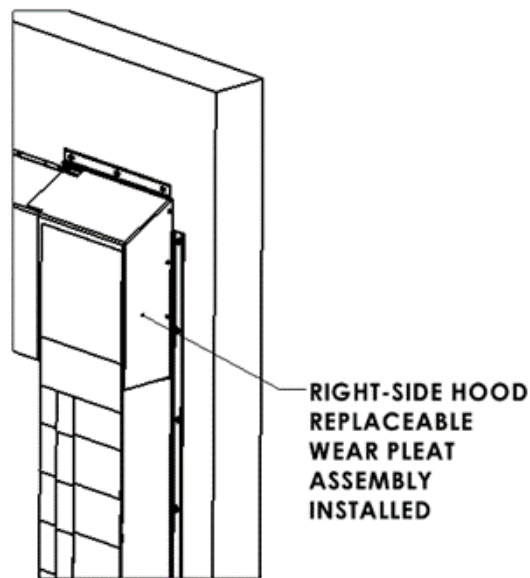

**FIGURE 5**

- b. Remove the 4 pieces of Velcro® Loop on the right end of the Hood.
- c. Take the Right-Side Hood Replaceable Wear Pleat Assembly and insert the welt horizontally into the outer end of the Short Seal Bracket w/Seal (Figure 6).

**FIGURE 6**

- d. Pull the Right-Side Hood Replaceable Wear Pleat Assembly (D) inward (toward the center of the Hood) until the end comes in contact with the end of the Hood (Figure 7).

**FIGURE 7**

- e. Firmly press the end of the Right-Side Hood Replaceable Wear Pleat Assembly (D) so the end Velcro® firmly attaches to the Velcro® on the end of the Hood.
- f. Next secure the Velcro® on top of the Hood.

- 4. INSTALL THE LEFT-SIDE HOOD REPLACEABLE WEAR PLEAT ASSEMBLY (C) ON THE LEFT SIDE OF THE HOOD:** Repeat Step 3 for the installation of the Left-Side Hood Replaceable Wear Pleat Assembly (C).
