

# NOVA FOAM PAD HOOD UNIVERSAL (FPHU) DOCK SEAL

## COMPETITIVE PRODUCT COMPARISON

### FEATURES AND BENEFITS

- Designed for door openings up to 10 x 12-feet
- Hood-style head curtain with a standard 24-inch drop (customizable to any length)
- High-density polyurethane compression L-shaped side pads
- Side pads have a 16-inch standard projection
- L-shaped side pads provide full-width trailer access
- Pressure-treated, kiln-dried wood frame
- Foam is chemically bonded to the frame
- Standard full-height yellow guide stripes
- Heavy-duty galvanized mounting hardware
- Pads are vented for air and moisture release
- Top-grade fabrics provide superior performance and maximum durability
- Velcro® attachments
- All sew lines are lock-stitched and reinforced with UV-resistant thread

**BUILT TO LAST:** All NOVA Dock Seal standard frames are made from pressure-treated and kiln-dried wood for greater moisture resistance and enhanced durability.

DOCK SEAL	PRESSURE-TREATED, KILN-DRIED WOOD FRAME
NOVA FPHU	✓ YES
Competitor 1	x NO
Competitor 2	x NO
Competitor 3	x NO

**FASTER, EASIER REPAIRS:** Unlike competitors who fully wrap the wood backing, the FPHU Dock Seal is stitched along the sides for cleaner removal of cover fabrics, easier recovers and less dock downtime.

**GREATER TRAILER ACCESS AND A MORE RELIABLE SEAL:** The unique L-pad feature of the FPHU seals against the side of the truck, allowing unobstructed access to the trailer and less pressure on the building wall.

**TESTED AND PROVEN TO PERFORM:** NOVA's cover materials and fabrics have undergone rigorous testing and feature the highest puncture, tear and abrasion resistance in the industry.
